

IPR Declaration Letter

Dated: 14th June, 2016

Quectel Wireless Solutions Co., Ltd. (“Quectel”) respects the importance of intellectual property rights and respective laws. As such, Quectel has actively engaged with known essential IPR owners and successfully secured licensing to legally use their technologies in **Quectel GSM/GPRS Module, Quectel WCDMA Module, Quectel LTE Module** (“**Quectel Products**”). Quectel assures **Customer** that its products are provided to **Customer** with a royalty-free license for essential IPR used in **Quectel Products**.

With respect to future claims of IPR owners, due to the importance of this issue, Quectel will engage legal counsel to contact them directly regarding their alleged patent ownership. Should the alleged patents prove valid, and are used in our product(s), Quectel will actively obtain the proper licensing under a fair and reasonable term.

Quectel shall indemnify and hold harmless the **Customer** against any legal costs and damages of **Customer** caused by the intellectual property right infringement by the **Quectel Products** up to the amount of an appropriate license fee, which the owner of essential IPR could claim directly from Quectel for the use of the infringing Product.

We appreciate your kind understanding on this issue and look forward to our continuing prosperous cooperation.

Yours Sincerely,

Doron Zhang
Senior Vice President

Quectel Wireless Solutions Ltd,
